PRYCA HISTORY AND PURPOSE

The Potomac River Yacht Clubs Association (PRYCA) held its first formal meeting on September 18, 1971, at the Aqua-Land Yacht Club. Charter member clubs in attendance were Aqua-Land, Landmark, National Potomac, Prince George's and Wicomico Yacht Clubs. Currently, there are twenty-three member clubs. Only two of the original Charter Clubs, Landmark and National Potomac, remain. Our newest member clubs, Lodge Creek Yacht Club and Potomac River Yacht Club, joined in 2016.

The Potomac River Yacht Clubs Association's purpose is to support recreational boating activities; specifically, to "encourage and promote yachting, boating safety, and the advancement of yacht clubs within the Potomac River Basin." Over the years, PRYCA has supported two missions: First, to address common issues affecting Member Clubs and recreational boaters in general; and second, to support social and boating safety activities of mutual interest among the yacht clubs along the Potomac River. To help advance these goals, PRYCA joined the National Boating Federation (NBF) as a charter member in 1979 and established a close working relationship with the Chesapeake Bay Yacht Clubs Association (CBYCA). PRYCA also established and maintained liaison with local boating organizations such as the US Coast Guard Auxiliary, US Power Squadron, the Anacostia Watershed Society, the Washington Waterfront Association, the Occoquan River Maritime Association, and the Historic Anacostia Boating Association.

To monitor legislative activities impacting recreational boaters, the PRYCA works closely with the CBYCA and Member Clubs to provide relevant comment at public forums on recreational boating issues.

PRYCA's first Float-In was held in July 1986 at Aquia Harbour Yacht Club. The purpose was to promote boating safety and social interaction between Member Clubs in a relaxed setting. The high points of each Float-In since then have always been camaraderie, the nautical competitions, and boating safety.

In a typical year, PRYCA sponsors and hosts two major events: the Change of Watch Dinner-Dance in January, and the Float-In in July. PRYCA also supports events hosted by Member Clubs, such as the "Summer Kick-Off" on Cobb Island and the "Dog Days of August" at Aquia Harbor. PRYCA Member Clubs are actively involved with a variety of non-profit and/or community events such as: the Washington Channel and the Occoquan River Blessings of the Fleet held in May each year, and the Alexandria and DC waterfronts' annual Holiday Parade of Lighted Boats. In addition to these events, several Member Clubs are actively involved with the Wounded Warrior Programs across Virginia and Maryland, and the Leukemia and Lymphoma Society's "Leukemia Cup Regatta" and "Power Boat Poker Run" fundraisers.

The twenty-three PRYCA Member Clubs are listed, along with their location and date of joining, on the following page. For yacht clubs wishing to join PRYCA, a club membership application can be found at the end of this publication.
